

Open Infrastructure Training

March 1, 2012 – London

1 Infrastructure Training

kCura is currently accepting reservations for our one-day Relativity Infrastructure Training class to be held in London, UK. Spots are limited to 12 trainees per session and will be reserved on a first-come, first-served basis. To register for training, please email training@kcura.com.

This hands-on training walks attendees through the details of the Relativity environment and databases. Attendees will be required to bring their own laptop computer.
